Professional Summary

Highly motivated Computer Science Engineering student with strong problem-solving and analytical abilities. Experienced in applying academic knowledge through real-world projects and internships, demonstrating adaptability, teamwork, and a commitment to continuous learning. Proficient in programming, debugging, and building efficient software systems. Passionate about leveraging technology to create innovative and impactful applications. Eager to pursue a career as a Software Developer with a focus on building scalable, reliable, and user-focused software solutions.

Skills

Technical Skills

- Programming Languages: Java, C, Python
- Databases: MySQL, DBMS concepts
- Web Technologies: HTML, CSS, REST APIs
- Others: Git, Linux basics
- Area of Interests-Artificial Intelligences ,Machine Learning

Soft Skills

- Effective Communication
- Problem Solving
- Adaptability to new environments
- Time Management

Education

ACS College of Engineering, Bengaluru
Bachelor of Engineering in Computer Science Dec 2022 – July 2026
CGPA: 8.5 / 10.0

Preksha PU College
PCMB (Pre-University) Mar 2020 – Apr 2022
Percentage: 78.33%

St Mary's International School
SSLC Mar 2019 – Apr 2020
Percentage: 80.6%

Projects

Multimodal Human Behaviour Analysis

- Developed a multimodal machine learning model integrating video, audio, and sensor data.
- Applied feature fusion, temporal modeling, and classification techniques to capture behavioral patterns.
- Improved recognition accuracy of emotional states across different environments.

Academor – AI for Warehouse Optimization Project

- Academor – AI in Warehouse Industry.
- 30% Improvement in inventory accuracy using AI-driven stock predictions.
- 40% Reduction in order processing time through automated workflow optimization.
- Real-time Data Insights enabling 25% faster decision-making for warehouse operations.

Certifications & Achievements

- SQL and Relational Database 101-Cognitive class.ai
- Python – NICT (2025)
- GenAI Powered Data Analytics Job Simulation – Tata (2025)
- Participated in CODE NEURAL HACK '25 – March 2025

Hobbies & Interests

Team Sports • Reading Books • Public Interaction
